

# Nuthara Yuthmini

As a dedicated and highly motivated undergraduate software engineering student with a passion for developing innovative software solutions, I am eager to secure an internship as a UI/UX intern. I am seeking opportunities to apply my technical skills, problem-solving abilities, and collaborative mindset to contribute to a dynamic team focused on creating exceptional user interfaces and experiences.

## SOFT SKILLS & ABILITIES

Analytical Thinking

Interaction Design

Wireframing

Prototyping

Hard working

Time Management

Problem Solving

Teamwork

## TECHNICAL SKILLS

### Programming languages-

Html, CSS, JavaScript, Dart

### Version Control-

Git and GitHub

### Tools -

Figma, Sketch

## EDUCATION

### Bachelor of Science (hons) – Software Engineering

NSBM(National School of Business Management) Green University  
2021-2025

### G.C.E Advance Level Exam – Physical Science

### G.C.E Ordinary Level Exam

Rathnavali Girl's College Gampaha  
2011-2019

### Diploma in Information Technology & English

Institute of Management & Business Studies(IMBS)  
Sep 2019-Apr 2020

## PROJECTS

### Mobile Application Development Project (Flutter, Firebase):

Developed a mobile app with a user-friendly interface, improving the user experience. Features include lecture scheduling, AR navigation, lecturer availability tracking, and hall information.

- Role- UI/UX Designer
- Tool & Technologies - Figma, Dart

**Behance-** <https://www.behance.net/gallery/185478417/N-SIDE-University-App>

### Seat Booking App for Movie Theater: (Figma)

Created a mobile app for movie theater seat booking, offering a user-friendly interface for seamless movie selection and seat reservation, enhancing the overall cinema experience.

- Role- UI/UX Designer
- Tool & Technologies - Figma

**Behance -** <https://www.behance.net/gallery/185447993/Movie-Ticket-Booking-App>

### GreenerLand Web Project (PHP, JavaScript, HTML, CSS, MySQL):

"Contributed to the 'Greener World' web project, promoting sustainable plant exchange. Designed a user-friendly interface for plant enthusiasts in Sri Lanka to connect, share, and engage in eco-friendly gardening practices."

- Tool & Technologies - HTML, CSS, Javascript

**GitHub-** [github.com/Nuthara/GreenerLand\\_Web](https://github.com/Nuthara/GreenerLand_Web)

## Agriculture App : (Figma)

Designed a user-friendly UI/UX for an agriculture information system, empowering stakeholders with efficient tools for productivity and informed decision-making.

- Tool & Technologies - Figma

## LICENSE & CERTIFICATIONS

- Foundations of User Experience (UX) Design by Google
- Start the UX Design Process: Empathize, Define, and Ideate by Google
- Conduct UX Research and Test Early Concepts by Google
- Build Wireframes and Low-Fidelity Prototypes by Google
- Create High-Fidelity Designs and Prototypes in Figma by Google
- UI / UX for Beginners by Great Learning

## LANGUAGES

Sinhala 

English
